Send By: June 5, 2017

2017 Theme: Girls With Grit

Girls are achieving remarkable successes in today's world. Even though many hurdles continue to exist for females, they possess strength, resilience and courage. The group will tackle many of the current teen issues and learn to help each other deal with the topics that affect girls. Everyone is excited about the week! There will be many art projects, journal writing, movement activities, nutritious food and many touching moments.
